Prices quoted are subject to change without prior notice. The base price may vary on actual plans under construction or already completed due to extra features (i.e. lot premiums, additional exterior or interior features, landscaping, etc.) Additional features may be added depending on the phase of construction as stipulated in the Sales Agreement at which time an additional charge will be assessed. Sellers agree to pay: 1) Home of Texas (RWC) 10 year structural warranty. Buyer is responsible for paying any and all associated fees and costs with respect to the loan application and funding process.
